

FURKAN KAPUKAYA

JUNIOR SOFTWARE DEVELOPER

ABOUT

I am a person who is open to self-development, aims to gain experience and benefit himself and the company he works for. I am a person who adapts to teamwork, is problem solving oriented, fast and does not give up, follows new technologies quickly, and tries to convey what he knows. I want to take responsibility in every field and show myself in the company where I have worked for many years.
